The Wise Old Woman Traditional Japanese folktale, retold by Yoshiko Uchida Many long years ago, there lived an arrogant and cruel young lord who ruled over a small village in the western hills of Japan. "I have no use for old people in my village," he said haughtily. "They are neither useful nor able to work for a living.

Wise Women is the story of four women sharing a home in Knoxville, Tennessee in the winter of 1944. The Second World War has changed the nation irrevocably, and hard times lead single mother Florence to open her house to two young boarders, to the dismay of her seventeen-year-old daughter, Rose. The boarders bring their own secrets, fears, and
